

Live in-person: 16-18 August 2023

IMPACT Exhibition Center-Bangkok, Thailand

Committed to the evolution of healthcare in Asia

Free to attend:

CNEU-CPD-CEPA accredited conferences

Asia Health 2023 Conferences at a glance

Dear colleagues,

Informa Markets and Impact Exhibition Management Co. Ltd. presents 6 CNEU-CPD-CEPA accredited conferences taking place LIVE in-person from 16-18 August 2023

Informa Markets and Impact Exhibition Management Co. Ltd. presents 6 CNEU-CPD-CEPA accredited conferences taking place LIVE in-person from 16-18 August 2023

We are elated to welcome you back to the 7th edition of Asia Health Conference 2023 in Bangkok, Thailand. Join your industry peers at the only medical scientific event in Asia providing multidisciplinary education for healthcare professionals.

You may choose to attend any of these CNEU, CEPA and CPD accredited conferences, free of charge!

This year, not only will you have the opportunity to network with local and international researchers and meet experts face-to-face, but you will also have the chance to experience the best of science and innovation in the industry.

On behalf of the scientific committee, I look forward to seeing you in-person!

Rinku Kurup,
Conference Producer

Enhance your career & expand your knowledge

Live in-person: 16-18 August 2023

IMPACT Exhibition Center-Bangkok, Thailand

Scientific Poster Competition is now OPEN!

We're giving you an opportunity to gain
recognition and get published

Prizes

- Top 8 poster authors will be able to present their work at Asia Health & Medlab Asia 2023 this August.
- The winner will get an opportunity to speak at Medlab portfolio (travel & accommodation included).

**WELCOME
TO THE
SCIENTIFIC
POSTER
COMPETITION**

How?

- Submit your bio and abstract (must include introduction, objectives, and conclusion) to mlasiaposters@informa.com
- The abstract must be aligned with any of the below conference tracks:

| | | |
|-----------------|------------------------------------|---------------------------------|
| Total Radiology | Patient safety & Infection control | Decontamination & Sterilization |
|-----------------|------------------------------------|---------------------------------|

- Max 300 words, font size 11, Arial (font type). You may include 1 figure or table only. Be as specific as possible about the material you will cover on your poster. Descriptions that are too short or vague will be considered incomplete.

Deadlines

Submit your abstract

Digital Health

Key topics

- Telehealth and Telemedicine
- The Future of Smart Hospitals in Thailand
- AI implementation in Thailand
- 5G in healthcare
- AI in Medicine
- Application of Metaverse in Medical Engineering

Benefits of attending

- Learn new innovative technology that will help to open new horizons for telehealth and telemedicine
- Discuss recent advances in 5G technologies
- Review how digitalization is transforming Thailand's hospital system
- Identify latest updates in medical engineering in the metaverse world
- Learn the use of AI to improve health outcomes and patient experiences

Who should attend

- Chief Executive Officer
- Chief Information Officer
- VP - Digital Health
- Medical Director
- Heads
- Digital Health
- Digital Transformation
- AI
- Heads of Department
- Chief Technology Office
- Data Scientists

Digital Health

16 August 2023

09:30 Opening remarks

Adison Tuantranont PhD, Executive Vice President, Industry and Community, NSTDA, Bangkok, Thailand

Theme: Digital health access for all

SESSION 1 National Science and Technology Development Agency

Moderator: Vongsakorn Poonpiriya, Director of RDI Management for Big Collaborative Project Division, NSTDA, Bangkok, Thailand

10:00 Telehealth and Telemedicine

Prof Dr Soontorn Lancharoen, Head of IT, Ramathibodi Hospital, Bangkok, Thailand

10:30 The Future of Smart Hospitals in Thailand

A/Prof Dr Areerat Hnoonual, Lecturer, Department of Pathology, Genomic Medicine Center, Faculty of Medicine, Prince of Songkla University, Hat Yai, Songkhla, Thailand

11:00 AI in Thailand

Sanparith Marukatat, Senior Researcher, NSTDA, Bangkok, Thailand

11:30 5G in Healthcare

Woragarn Likhitdechakdi, Chief Technology Officer, Huawei, Bangkok, Thailand

12:00 Lunch break and visit exhibition

SESSION 2

Moderator: Vongsakorn Poonpiriya, Director of RDI Management for Big Collaborative Project Division, NSTDA, Bangkok, Thailand

13:00 AI in medicine

Dr Simon Kos, Chief Medical Officer, Microsoft, New Zealand, Australia

13:30 Reimbursement reporting

Adison Tuantranont, Executive Vice President, Industry and Community, NSTDA, Bangkok, Thailand

14:00 Q&A

Visit medlabasia.com/asiahealth/digital-health to learn more

Digital Health

SESSION 3 Thai Association for Medical Instrumentation

Moderator:

14:15 Application of metaverse in medical engineering
Dr Somsri Daochai, President, Thai Association for Medical Instrumentation, Bangkok, Thailand

15:15 Break

15:45 Application of metaverse in medical engineering
Dr Somsri Daochai, President, Thai Association for Medical Instrumentation, Bangkok, Thailand

16:15 Q&A

16:30 End of conference

Conference Chair:

Mr Kitti Wongthavarawat, Assistive Technology and Medical Devices Research Center (AMED), NSTDA, Bangkok, Thailand

Speaker Faculty:

- Mr Kitti Wongthavarawat, Assistive Technology and Medical Devices Research Center (AMED), NSTDA, Bangkok, Thailand
- Prof Dr Soontorn Lanchaen, Head of IT, Ramathibodi Hospital, Bangkok, Thailand
- Sanparith Marukatat, Senior Researcher, NSTDA, Bangkok, Thailand
- Dr Simon Kos, Chief Medical Officer, Microsoft, New Zealand, Australia
- Dr Somsri Daochai, President, Thai Association for Medical Instrumentation, Bangkok, Thailand
- Vongsakorn Poonpiriya, Director of RDI Management for Big Collaborative Project Division, NSTDA, Bangkok, Thailand
- Woragarn Likhitdechasakdi, Chief Technology Officer, Huawei, Bangkok, Thailand

Nursing

Key topics

- Palliative Care in Hi-Tech Era
- Nurses in Transdisciplinary Approach to obtain Holistic Goals in Palliative Care
- Taiwan experiences in nursing management
- The Role of Nurses in Family Empowerment for Geriatric Care

Benefits of attending

- Learn interdisciplinary medical caregiving approach for better quality of life
- Discuss the role of nurses in community health settings to provide quality care and treatment
- Review different methods in nursing management from Taiwan
- Identify latest updates in geriatric care

Application for CPD of up to 5 points is in progress. Approval of final credits to be announced soon

Who shall attend

- Chief Nursing Officer
- Advisors
- Consultants
- Directors
- Heads of Department
- Nurse Manager
- Clinical Nurse Specialist
- Nurse Educators
- Registered Nurses

Nursing

16 August 2023

Theme: Palliative Care in Hi-Tech Era: How to reach Genuine and Sustainable Happiness

08:45 Opening Remarks

Asst Prof Nanthaphan Chinlumprasert, President, International Council of Nurses, Dean, Assumption University of Thailand, Bangkok, Thailand

SESSION 1

09:00 Palliative care in hi-tech era: How to reach genuine and sustainable happiness?

Asst Prof Nanthaphan Chinlumprasert, President, International Council of Nurses, Dean, Assumption University of Thailand, Bangkok, Thailand

10:00 Coffee Break

10:15 Panel: Nurses in Transdisciplinary Approach to obtain Holistic Goals

Moderator Asst Prof Nanthaphan Chinlumprasert, President, International Council of Nurses, Dean, Assumption University of Thailand, Bangkok, Thailand
Asst Dr Pornlert Chatkaew
Dr Panta Apiruknapanond

11:30 Apply Technology for Palliative Nursing Management: Experience Sharing from Taiwan

Dr Ya-Wen Lee, Director of Nursing Department, CCH, Taiwan Tokyo, Japan
Dr Nina Kao, CEO, Overseas Medical Mission Center, Changhua Christian Hospital, Taiwan

12:00 Lunch break and visit exhibition

SESSION 2

Moderator: Asst Prof Nanthaphan Chinlumprasert, President, International Council of Nurses, Dean, Assumption University of Thailand, Bangkok, Thailand

13:10 Panel: Geriatric Palliative Trend: Health Technology in Prevention, Promotion and Rehabilitation

Moderator: Dr Kanrayakorn Chatkaew, Bangkok, Thailand
Dr Issarang Nuchprayoon, Bangkok, Thailand
Panta Apiruknapanond, Bangkok, Thailand

Visit medlabasia.com/asiahealth/emergency-medicine to learn more

Nursing

14:30 The Role of Nurses in Family Empowerment for Geriatric Palliative Care at Home

15:10 Coffee break

15:35 Redesigning Palliative Care in all Dimensions

Moderator: Dr Kalayakorn Chat Kaew, Bangkok, Thailand

Prof Issarang Nuchprayoon, Chulalongkorn University, Bangkok, Thailand

Dr Panta Aapiruknapanond, Bangkok, Thailand

16:40 Coffee break

17:00 End of conference

Scientific Chair

Asst Prof Nanthaphan Chinlumprasert, President, International Council of Nurses,
Dean, Assumption University of Thailand, Bangkok, Thailand

Emergency Medicine

Key topics

- EMSS for Mass Gathering in Thailand
- Guidelines for Emergency Situation Management
- Mass Gathering Perspective from Japan
- EMSS from Europe region

Benefits of attending

- Discuss new effective resources for mass gathering events
- Learn about prevention and preparedness for emergency management
- Discuss preparation strategy for mass gathering from Japan

*** Application for CEPA of up to 5 points is in progress. Approval of final credits to be announced soon***

Who should attend

- Consultants
- Critical Care Physicians and Specialists
- Physicians/Consultants
- Heads of Emergency Care
- Chiefs of Emergency Care
- Nurses and Allied Healthcare Professionals
- Paramedics
- Ambulatory Care
- Emergency Medical Technicians
- First Responders

Emergency Medicine

17 August 2023

Theme: Emergency Medical Service System for Mass Gathering

09:00 Opening remarks

Flight Lieutenant Dr Atchariya Pangma, Secretary General, National Institute of Emergency Medicine, Bangkok, Thailand

SESSION 1 National Institute for Emergency Medicine

09:15 Emergency Medical Service System for Mass Gathering in Thailand

Flight Lieutenant Dr Atchariya Pangma, Secretary General, National Institute of Emergency Medicine, Bangkok, Thailand

09:45 Panel: EMS - Collaboration and Guidelines for Emergency Situation Management.

Moderator: Chetsadakon Jenpanitpong, Paramedic, Mahidol University, Thailand

Special Capt Dr Pisit Charoenying, Dy Secretary General, National Institute of Emergency Medicine, Bangkok, Thailand

Dr Somjintana Iamsanpang, Emergency Medicine Specialist, Bangkok Hospital, Bangkok, Thailand

Asst Prof Rapeeporn Rosengren, Faculty of Medicine Vajira Hospital, Navamindradhiraj University, Bangkok, Thailand

Dr Gawin Tiyawat, Emergency Specialist, Faculty of Science and Health Technology, Navamindradhiraj University, Bangkok, Thailand

Petpong Kumjornkijjakarn, Hospital Director, Medical Service Department Bangkok Metropolitan Administration, Bangkok, Thailand

11:30 EMS – Mass Gathering perspective from Japan

Hideharu Tanaka, Professor and Chairman, Kokushikan University Graduate School, Tokyo, Japan

12:00 Lunch break and visit the exhibition

Visit medlabasia.com/asiahealth/emergency-medicine to learn more

Emergency Medicine

SESSION 2

13:30 Emergency Medical Service System – Europe

Rob Dobson, Former Senior Training Officer, London Ambulance Service, London, UK

14:00 Workshop by Faculty of Medicine, Ramathibodi Hospital: ThaiSIM Demonstration for Mass Gathering

Assoc Prof Chaiyaporn Yuksen, Emergency Medicine Specialist, Bangkok, Thailand

Phonnita Nakasint, Department of Emergency Medicine, Bangkok, Thailand

Asst Prof Wijittra Liengswangwong, Emergency Medicine Specialist, Bangkok, Thailand

Chetsadakon Jenpanitpong, Paramedic, Mahidol University, Bangkok, Thailand

16:00 End of conference

Scientific Chair:

Flight Lieutenant Dr Atchariya Pangma, Secretary General, National Institute of Emergency Medicine, Bangkok, Thailand

Total Radiology

17 August 2023

Theme: Advancing Medical Imaging and Radiation Therapy

10:00 Opening Remarks

Dr Napapong Pongnapang, President, **International Society of Radiographers and Radiological Technologists, ISRRT**, Department of Radiological Technology, Faculty of Medical Technology, **Mahidol University, Bangkok, Thailand**

SESSION 1

Moderator: Dr Edward Chan, Vice-President, **Hong Kong College of Radiographers and Radiation Therapists**, Director of Professional Practice, **ISRRT, Hongkong**

10:15 AI-ChatGPT – New AI in Radiology

Chapman Lee, Director AI for Medical Applications, **Im sight Technology, Sha Tin, Hong Kong**

10:45 CT-Photon CT

Yudthaphon Vichianin, Associate Professor, Department of Radiological Technology, Faculty of Medical Technology, **Mahidol University, Bangkok, Thailand**

11:45 Updates on theranostic nuclear medicine

Dr Kitiwat Khamwan, Asst Professor & Medical Physicist, **Chulalongkorn University, Bangkok, Thailand**

12:15 RT- heavy particle therapy

Dr Taweap Sanghangtham, Asst Professor, **Chulalongkorn University, Bangkok, Thailand**

12:45 Q&A

13:00 Lunch break and visit the exhibition

SESSION 2

Moderator:

14:00 Keynote: Advancing medical imaging and radiation therapy: Role of the radiographers and radiation therapist

Dr Napapong Pongnapang, President, **International Society of Radiographers and Radiological Technologists, ISRRT**, Department of Radiological Technology, Faculty of Medical Technology, **Mahidol University, Bangkok, Thailand**

Patient Safety and Infection Control

Key topics

- Patient and Personnel Safety in Thailand
- Staff and safety culture
- IPC Measures for MDRO
- IPC in Healthcare
- Moving forward to 3P safety from 2P safety

Who shall attend

- Patient Safety Consultants
- Patient Safety Specialists
- Patient Safety Officers
- Heads of Patient Safety
- Infectious Disease Specialists
- Infection Control Practitioners
- GP's
- Public Health Professionals
- Nurses

Benefits of attending

- Learn new standards to create awareness and engage patient and communities in patient and personnel safety
- Discuss toolkit for infection prevention and control in healthcare
- Appraise culture of safety in healthcare over goals
- Identify key steps in IPC for safety of patients and healthcare providers
- Learn about patient, personnel and people safety from 2P safety

Patient Safety and Infection Control

18 August 2023

10:15 Opening remarks:
Dr Piyawan Limpanyalert, Director, Healthcare Accreditation Institute (HAI), Bangkok, Thailand

SESSION 1

10:30 Introduction Patient and Personal Safety in Thailand
Dr Piyawan Limpanyalert, Director, Healthcare Accreditation Institute (HAI), Bangkok, Thailand

12:00 Lunch Break

13:00 Panel - IPC in Healthcare – Patient and Personnel Safety and HA Standards
Moderator: Prof Akeau Unhalekhaka, Professor, Chiang Mai University, Chiang Mai, Thailand
Asst Prof Dr Yong Rongrungruang, Infectious Disease Expert, Siriraj Piyamaharajkarun Hospital, Bangkok, Thailand
Asst Prof Dr Kumthorn Malathum, Senior Advisor, Infection Control Committee, Faculty of Medicine, Ramathibodi Hospital, Bangkok, Thailand

SESSION 2

14:00 Keynote: Staff safety and safety culture
Lisa McKenzie, VP Asia Pacific, Institute for Healthcare Improvement (IHI), Melbourne, Australia

14:30 Re-intensifying antimicrobial stewardship: a must for all
Prof Le Thi Anh Thu, President, Vietnam Infection Control Society, Ho Chi Minh City, Vietnam

15:00 Panel: IPC Measures for MDRO
Pinyo Rattanaampawan, Expert, Infectious Diseases, Siriraj Hospital, Bangkok, Thailand
Anucha Apisarntharak Chief, Infectious Diseases Division, Thammasat Hospital, Pratumthani, Thailand

15:45 Panel: Safety in surgical instruments for Asia – Standard of practice of different countries
Prof Le Thi Anh Thu, President, Vietnam Infection Control Society, Ho Chi Minh City, Vietnam
Arlene Tamayo, President, Philippines Association of Central Services and Sterilization Management (PACSSM), Manila, Philippines
