

Live in-person: **16-18 August 2023**

IMPACT Exhibition Center-Bangkok, Thailand

**Medlab Asia**  
By Informa Markets

# Experience the ASEAN region's only multi-disciplinary Conference on laboratory

Free to attend:  
**6 CME-CMTE accredited conferences**

# Medlab Asia 2023 Conferences at a glance

Dear colleagues,

Informa Markets and Impact Exhibition Management Co. Ltd. presents 6 CME-CMTE accredited conferences taking place LIVE in-person from 16-18 August 2023

We are elated to welcome you back to the 10th edition of Medlab Asia Conference 2023 in Bangkok, Thailand. Join your industry peers at the only medical scientific event in Asia providing multi-disciplinary education for medical laboratory professionals - to enhance your skills, productivity and quality performance. You may choose to attend any of these CME or CMTE accredited conferences, free of charge!

This year, not only you can network with local and international researchers and meet experts face-to-face, but you will also have the chance to experience the best of science and innovation in the industry.

On behalf of the scientific committee, I look forward to seeing you in-person!

Rejoy Penacerrada,  
Conference Director

# Enhance your career & expand your knowledge

**3** days

**6** CME-CMTE-CNEU-CPD tracks live in-person

**100+** speakers

## Conference Schedule (Live in-person)

16 August Wednesday	17 August Thursday	18 August Friday
Laboratory Management	Clinical Microbiology	Clinical Chemistry
Molecular Diagnostics	Hematology	Immunology

[medlabasia.com](http://medlabasia.com)

### Key topics:

- Rational lab use
- National laboratory accreditation program
- Competency training
- Sustainability in the lab
- Neurodevelopmental genetics
- Rare Genetic Disorders
- ELSI in Genomic Medicine
- Neonatal screening
- Epidemiology
- Vaccine development for infectious diseases
- Serology
- Apheresis
- POCT: Technological Advances and Vital Clinical Impact
- HbA1c in diabetes monitoring
- Approaches for deriving reference intervals
- Infectious Immunology
- Autoimmunity
- Primary Immunodeficiency in 2023

### Key topics:

- Heads of Laboratory
- Laboratory Directors
- Laboratory Managers
- Clinical Pathologists
- Clinical Chemists
- Clinical Microbiologists
- Hematologists
- Molecular Biologists
- Immunologists
- Geneticists
- Clinical Scientists

## Benefits of attending:

- Apply tailored quality control plans in your laboratory to avoid common pitfalls and improve quality
- Eliminate testing deficiencies to ensure consistent and accurate results that improve patient's outcome
- Discuss accreditation requirements and checklist
- Discuss new innovative tools that will help in screening, diagnosing, and managing genetic disorders
- Identify complexity and multiplicity of related ethical aspects in genetic testing
- Review the key and current national and global approaches to tackling AMR
- Discuss recent advances and application of vaccines
- Discover key technological breakthroughs in apheresis
- Identify new threats, new technologies for infectious diseases and safe blood transfusion
- Identify latest updates in assays
- Appraise use of biomarkers in clinical laboratory
- Discuss primary Immunodeficiency in 2023
- Analyse the management of autoimmune disorders within the region
- Describe the development and application of precision medicine

---

## Laboratory Management

**10:05** Opening remarks

A/Prof Kanit Reesukumal, President, Thai Society of Clinical Pathology; Faculty of Medicine Siriraj Hospital, Mahidol University, Bangkok, Thailand

### SESSION 1 Rational Lab Use

**Moderator: A/Prof Kanit Reesukumal**

**10:10** Policy for rational lab use in Thailand

Dr Piya Sirilak, Deputy Director, Department of Medical Sciences, Ministry of Public Health, Bangkok, Thailand

**10:30** Rational Lab use in Buriram Hospital

Dr Detdanai Wannapong, Clinical pathologist, Medical professional level, Head of Medical Technology and Clinical Pathology Department, Buriram Hospital, Buriram, Thailand

**10:50** Rational Lab use in King Chulalongkorn Memorial Hospital

Dr Poranee Ganokroj, Assistant. Professor, Department of Laboratory Medicine, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand

**11:10** Q&A

### SESSION 2 National Laboratory Accreditation program

**11:20** Laboratory medicine foundation

Prof Young Kyung Lee, Director of Scientific Affairs, Korean Association of External Quality Assessment Services; Laboratory Medicine, Hallym University Sacred Heart Hospital, Seoul, South Korea

**11:40** Thailand laboratory accreditation program

Dr Preechaya Wongkrajang, Associate Professor, Faculty of Medicine Siriraj Hospital, Mahidol University, Bangkok, Thailand

**12:00** PT/EQA testing benefits for laboratory quality and performance  
CAP

**12:20** Q&A

---

**12:30** Lunch break and visit the exhibition

---

---

## Laboratory Management

### SESSION 3 Competency in the clinical laboratory

- 14:00** Competency assessment in clinical laboratories  
Prof Rajiv Erasmus, Emeritus Professor Division of Chemical Pathology, **University of Stellenbosch, Cape Town, South Africa**
- 14:20** Laboratory leadership and competency training  
Carlo Kaabar, Medical Director, MOHAP Laboratories, **Purehealth, Sharjah, UAE**
- 14:50** Q&A

---

**15:00** Coffee break and visit the exhibition

---

### SESSION 4 Smart laboratories

- 15:40** The medical laboratory in digital health  
Dr Thaddeus Carvajal, President, **Philippine Society for Microbiology, Manila, Philippines**
- 16:00** Digital transformation of the medical laboratory  
Dr Ida Parwati, Head of Department Clinical Pathology, **Dr Hasan Sadikin Central General Hospital, Bandung, Indonesia**
- 16:20** Q&A

---

**16:30** End of conference

---

#### Conference Chair:

A/Prof Kanit Reesukumal, President, **Thai Society of Clinical Pathology; Faculty of Medicine**  
**Siriraj Hospital, Mahidol University, Bangkok, Thailand**

#### Speaker Faculty:

- Carlo Kaabar, Medical Director, MOHAP Laboratories, **Purehealth, Sharjah, UAE**
- Dr Ida Parwati, Head of Department Clinical Pathology, **Dr. Hasan Sadikin Central General Hospital, Bandung, Indonesia**
- Dr Poranee Ganokroj, Assistant. Professor, Department of Laboratory Medicine, Faculty of Medicine, **Chulalongkorn University, Bangkok, Thailand**

---

## Laboratory Management

- **Dr Piya Sirilak**, Deputy Director, Department of Medical Sciences, **Ministry of Public Health, Bangkok, Thailand**
- **Dr Preechaya Wongkrajang**, Associate Professor, **Faculty of Medicine Siriraj Hospital, Mahidol University, Bangkok, Thailand**

---

## Molecular Diagnostics

**09:30** Opening remarks

Prof Dr Pornprot Limprasert, Professor of Clinical Pathology; Director of Genomic Medicine, Genomic Medicine Center, Faculty of Medicine, **Prince of Songkla University, Hat Yai, Songkhla, Thailand**

### SESSION 1 Neurodevelopmental Genetics

**Moderator:** Prof Dr Pornprot Limprasert, Professor of Clinical Pathology; Director of Genomic Medicine, Genomic Medicine Center, Faculty of Medicine, Prince of Songkla University, Hat Yai, Songkhla, Thailand

**09:30** Genomic Medicine: From diagnosis to treatment

Prof Dr Kanya Suphapeetiporn, Center of Excellence for Medical Genomics, Department of Pediatrics, Faculty of Medicine, **Chulalongkorn University, Bangkok, Thailand**

**10:15** Genomic study in autism spectrum disorders

A/Prof Dr Areerat Hnoonual, Lecturer, Department of Pathology, Genomic Medicine Center, Faculty of Medicine, **Prince of Songkla University, Hat Yai, Songkhla, Thailand**

**10:45** Molecular diagnosis for triplet repeat disorders

A/Prof Dr Samuel S Chong, Associate Professor, Dept of Pediatrics, National University of Singapore, Singapore

**11:15** Q&A

---

**11:30** Lunch break and visit the exhibition

---

### SESSION 2 Rare Genetic Diseases

**Moderator:** Prof Dr Pornprot Limprasert, Professor of Clinical Pathology; Director of Genomic Medicine, Genomic Medicine Center, Faculty of Medicine, Prince of Songkla University, Hat Yai, Songkhla, Thailand

**12:30** Rare genetic diseases in Thailand

Prof Dr Duangrurdee Wattanasirichaigoon, Lecturer, Division of Medical Genetics, Department of Pediatrics, Faculty of Medicine **Ramathibodi Hospital, Mahidol University, Thailand**

**13:00** Neonatal screening for rare genetic disease

To be confirmed

**13:30** Role of whole genome sequencing for rare diseases

---

## Molecular Diagnostics

**A/Prof Hon Yin Brian Chung**, Clinical Associate Professor, Department of Paediatrics and Adolescent Medicine, Li Ka Shing Faculty of Medicine, **The University of Hong Kong, Hong Kong**

**14:00** Q&A

---

**14:15** Coffee break and visit the exhibition

---

### SESSION 3 Genomics in clinical practice

**Moderator:** **A/Prof Dr Kitiwan Rojnueangnit**, Associate Professor, Division of Medical Genetics, Department of Pediatrics, Faculty of Medicine **Thammasat University, Pathumthani, Thailand**

**15:00** Current genomic diagnosis in pediatrics

**Dr Ahmad Abou Tayoun**, Director of the Genomics Center of Excellence, **Al Jalila Children's Specialty Hospital**; Associate Professor of Genetics, **Mohammed Bin Rashid University of Medicine and Health Sciences, Dubai, UAE**

**15:30** Current genomic diagnosis in internal medicine

**A/Prof Dr Polakit Teekakirikul**, Clinical Molecular Geneticist. **Bumrungrad International Hospital, Bangkok, Thailand**

**16:00** Q&A

---

**16:30** End of conference

---

### Conference Chair:

**Prof Dr Pornprot Limprasert**, Professor of Clinical Pathology; Director of Genomic Medicine, Genomic Medicine Center, Faculty of Medicine, **Prince of Songkla University, Hat Yai, Songkhla, Thailand**

### Speaker Faculty:

- **Dr Ahmad Abou Tayoun**, Director of the Genomics Center of Excellence, **Al Jalila Children's Specialty Hospital**; Associate Professor of Genetics, **Mohammed Bin Rashid University of Medicine and Health Sciences, Dubai, UAE**

## Molecular Diagnostics

- **A/Prof Dr Areerat Hnoonual**, Lecturer, Department of Pathology, Genomic Medicine Center, Faculty of Medicine, **Prince of Songkla University, Hat Yai, Songkhla, Thailand**
- **Prof Dr Duangrurdee Wattanasirichaigoon**, Lecturer, Division of Medical Genetics, Department of Pediatrics, Faculty of Medicine **Ramathibodi Hospital, Mahidol University, Thailand**
- **A/Prof Hon Yin Brian Chung**, Clinical Associate Professor, Department of Paediatrics and Adolescent Medicine, Li Ka Shing Faculty of Medicine, **The University of Hong Kong, Hong Kong**
- **Prof Dr Kanya Suphapeetiporn**, Center of Excellence for Medical Genomics, Department of Pediatrics, Faculty of Medicine, **Chulalongkorn University, Bangkok, Thailand**
- **A/Prof Dr Kitiwan Rojnueangnit**, Associate Professor, Division of Medical Genetics, Department of Pediatrics, Faculty of Medicine **Thammasat University, Pathumthani, Thailand**
- **A/Prof Dr Polakit Teekakirikul**, Clinical Molecular Geneticist. **Bumrungrad International Hospital, Bangkok, Thailand**
- **A/Prof Dr Samuel S Chong**, Associate Professor, Dept of Pediatrics, National University of Singapore, Singapore
- **A/Prof Thipwimol Tim-Aroon**, Associate Professor, Division of Medical Genetics, Department of Pediatrics, Faculty of Medicine **Ramathibodi Hospital, Mahidol University, Thailand**

---

## Clinical Microbiology

**10:05** Opening remarks

Dr Nina G. Gloriani, Head of Vaccine Expert Panel, Department of Science and Technology; Former Dean of the College of Public Health, University of the Philippines Manila, Manila, Philippines

### SESSION 1 MOLECULAR MICROBIOLOGY AND AMR

**10:10** Role and future of whole genome sequencing in clinical microbiology

Dr Wael Faroug Mohammed Elamin, Medical Director, G43 Healthcare, Abu Dhabi, UAE

**10:40** Molecular epidemiology – surveillance for emerging pathogens

Institute of Medical Research Malaysia

**11:10** Anti-microbial resistance stewardship in the Philippines; special discussion on Carbapenem Resistant Enterobacteriaceae (CRE)

Dr Arthur Dessi Roman, Head, Medical Department, Research Institute for Tropical Medicine, Department of Health, Manila, Philippines

**11:40** Q&A

### SESSION 2 KEYNOTE

**11:50** Keynote – Immunization programs for vaccine preventable diseases in the Western Pacific Region

Dr Tigran Avagyan, Technical Officer, Expanded Programme on Immunization, World Health Organization, Regional Office for the Western Pacific, Manila, Philippines

**12:20** Q&A

---

**12:30** Lunch break and visit the exhibition

---

### SESSION 3 VACCINES, DIAGNOSTIC AND THERAPEUTIC AGENTS

**13:30** Diagnostics-therapeutics- prevention through vaccination

Dr Arunee Thitithanyanont, Associate Professor, Department of Microbiology, Faculty of Science, Mahidol University, Bangkok, Thailand

**14:00** Novel antiviral agents and antiviral resistance studies

Dr Rozainanee Mohd Zain, Biosafety Officer, Institute of Medical Research, Kuala Lumpur, Malaysia

---

Visit [medlabasia.com/clinical-micorbiology](https://medlabasia.com/clinical-micorbiology) to learn more

---

## Clinical Microbiology

**14:30** Medlab Middle East Scientific Poster Competition Winner:  
Potentiality of lytic bacteriophages and their virolysins in lysing multi-drug resistant salmonella typhi  
Dr Ayman Elshayeb, Microbiologist, Research and Development Manager, Elbarkal Multi Activities Dept. Research & Consulting, Sudan

**14:50** Q&A

---

**15:00** Coffee break and visit exhibition

---

## SESSION 4 EMERGING TECHNOLOGIES

**15:30** Microbiology laboratory automation  
Dr Puspa Wardhani, Clinical Pathologist Consultant, Airlangga University Surabaya, Jawa Timur, Indonesia

**16:00** Biosafety and biosecurity in the clinical microbiology and research laboratories  
Dr Irma Makalinao, Professor, Department of Pharmacology and Toxicology, College of Medicine, University of the Philippines, Manila, Philippines

**16:30** Q&A

---

**16:40** Coffee break and visit exhibition

---

### Conference Chair:

Dr Nina G. Gloriani, Head of Vaccine Expert Panel, Department of Science and Technology; Former Dean of the College of Public Health, University of the Philippines Manila, Manila, Philippines

### Speaker Faculty:

- Dr Arthur Dessi Roman, Head, Medical Department, Research Institute for Tropical Medicine, Department of Health, Manila, Philippines
- Dr Ayman Elshayeb, Microbiologist, Research and Development Manager, Elbarkal Multi Activities Dept. Research & Consulting, Sudan
- Dr Irma Makalinao, Professor, Department of Pharmacology and Toxicology, College Of Medicine, University of the Philippines, Manila, Philippines

---

## Clinical Microbiology

- **Dr Puspa Wardhani**, Clinical Pathologist Consultant, **Airlangga University Surabaya, Jawa Timur, Indonesia**
- **Dr Tigran Avagyan**, Technical Officer, Expanded Programme on Immunization, **World Health Organization, Regional Office for the Western Pacific, Manila, Philippines**
- **Dr Wael Faroug Mohamed Elamin**, Medical Director, **G42 Healthcare, Abu Dhabi, UAE**

---

## Hematology

**09:30** Opening remarks

A/Prof Phandee Watanaboonyongcharoen, Medical Director, Department of Laboratory Medicine, Chulalongkorn University, Bangkok, Thailand

### SESSION 1

**09:45** Next Generation Sequencing for Myelodysplastic Syndrome

A/Prof Phandee Watanaboonyongcharoen, Medical Director, Department of Laboratory Medicine, Chulalongkorn University, Bangkok, Thailand

**10:15** Thalassemia: An update

Prof Suthat Fuchareon, Professor, Emeritus at the Institute of Molecular Biosciences, Director of the Thalassemia Research Center, Mahidol University, Nakornpathom, Thailand

**10:45** Q&A

---

**11:00** Coffee break

---

### SESSION 2

**11:45** Effects and possible negative outcomes associated with transfusion

Dr John-Paul Tung, Senior Research Fellow, Australian Red Cross Lifeblood, Melbourne, Australia

**12:15** Adult patients with hematologic malignancies

Philippine Society of Hematology and Blood Transfusion, Manila, Philippines

**12:45** Q&A

---

**13:00** Lunch break and visit the exhibition

---

### SESSION 3

**14:00** Ultrasound-guide peripheral venous access for therapeutic apheresis

A/Prof Sukit Raksasuk, Nephrologist, Sirirat Hospital, Mahidol University; Executive committee, Thai Society for Apheresis, Bangkok, Thailand

**15:40** Q&A

---

**16:00** End of conference

---

Visit [medlabasia.com/hematology](https://medlabasia.com/hematology) to learn more

## Hematology

### Conference Chair:

**A/Prof Phandee Watanaboonyongcharoen**, Medical Director, Department of Laboratory Medicine, **Chulalongkorn University, Bangkok, Thailand**

### Speaker Faculty:

- **Dr Joseph Vincent Alba**, President, **Philippine Society of Hematology and Blood Transfusion, Manila, Philippines**
- **A/Prof Sukit Raksasuk**, Nephrologist, **Sirirat Hospital, Mahidol University**; Executive committee, **Thai Society for Apheresis, Bangkok, Thailand**
- **Prof Suthat Fuchareon**, Professor, Emeritus at the Institute of Molecular Biosciences, Director of the **Thalassemia Research Center, Mahidol University, Nakornpathom, Thailand**

---

## Clinical Chemistry

**10:05** Opening remarks

A/Prof Busadee Pratumvinit, Faculty, Department of Clinical Pathology, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand

### SESSION 1

**10:10** Central role of laboratory medicine in public health and patient care

Prof Khosrow Adeli, Head & Professor, Clinical Biochemistry, The Hospital for Sick Children, Toronto, Ontario, Canada

**10:40** How is analytical QC in clinical chemistry practiced now and how can it be improved?

Dr Tararat Khaokhiew, Head of Holistic Health and Medical Diagnostic, Faculty of Medical Technology, Mahidol University, Bangkok, Thailand

**11:10** Q&A

### SESSION 2 National Laboratory Accreditation program

**11:20** Interferences in clinical chemistry

Colonel Dr Pitipat Jamnarnwej, Deputy Director Department of Clinical Pathology, Phramongkutklao Hospital, Bangkok, Thailand

**11:50** Lipoprotein electrophoresis: applications & interprétations

To be confirmed

**12:20** Q&A

---

**12:30** Lunch break and visit the exhibition

---

### SESSION 3 Competency in the clinical laboratory

**14:00** Hemoglobin A1c: POCT or Laboratory?

Praveen Sharma, Professor of Biochemistry and former Dean (Research), All India Institute of Medical Sciences, Jodhpur, India

**14:30** Implementing POCT blood gas in different clinical settings

Dr Jatupon Krongvorakul, Instructor, Department of Pathology, Faculty of medicine Ramathibodi hospital, Mahidol university, Bangkok, Thailand

---

## Clinical Chemistry

---

**15:00** Coffee break and visit exhibition

---

### SESSION 4

**15:30** Novel biomarkers in kidney diseases

Dr Sadudee Peerapornratana, Instructor, Department of Laboratory Medicine, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand

**16:00** Cardiac biomarkers

A/Prof Sarawut Kumphune, Associate Professor, Biomedical engineering institute, Chiang Mai University, Chiang Mai, Thailand

**16:15** Q&A

---

**16:30** End of conference

---

### Conference Chair:

A/Prof Busadee Pratumvinit, Faculty, Department of Clinical Pathology, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand

### Speaker Faculty:

- Dr Jatupon Krongvorakul, Instructor, Department of Pathology, Faculty of medicine Ramathibodi hospital, Mahidol university, Bangkok, Thailand
- Prof Khosrow Adeli, Head & Professor, Clinical Biochemistry, The Hospital for Sick Children, Toronto, Ontario, Canada
- Colonel Dr Pitipat Jamnarnwej, Deputy Director Department of Clinical Pathology, Phramongkutklao Hospital, Bangkok, Thailand
- Praveen Sharma, Professor of Biochemistry and former Dean (Research), All India Institute of Medical Sciences, Jodhpur, India
- Dr Sadudee Peerapornratana, Instructor, Department of Laboratory Medicine, Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand
- A/Prof Sarawut Kumphune, Associate Professor, Biomedical engineering institute, Chiang Mai University, Chiang Mai, Thailand

---

Visit [medlabasia.com/clinical-chemistry](https://medlabasia.com/clinical-chemistry) to learn more

## Clinical Chemistry

- **Dr Tararat Khaokhiew**, Head of Holistic Health and Medical Diagnostic, Faculty of Medical Technology, **Mahidol University**, Bangkok, Thailand

---

## Immunology

**09:30** Opening remarks

A/Prof Jaruda Kobkitjaroen, Asst Professor, Department of Clinical Pathology, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand

### SESSION 1

**09:45** Attempting on Adopting the ICAP Classification for HEp-2 IFA Reporting in Thailand

A/Prof Dr Mongkol Kunakorn, Associate Professor in Clinical Pathology, Department of Pathology, Faculty of Medicine Ramathibodi Hospital, Mahidol University

**10:15** ANCA IF pattern in current clinical practice

Dr Jan Damoiseaux, Assistant Professor, Diagnostic Centre, NUTRIM School of Nutrition and Translational Research in Metabolism; Faculty of Health, Medicine and Life Sciences, Maastricht University Medical Center, Maastricht, The Netherlands

**10:45** Q&A

---

**11:00** Coffee break

---

### SESSION 2

**11:45** Basophil activation test for drug and food allergy

A/Prof Dr Yuttana Srinoulprasert, Associate Professor, Department of Immunology, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand

**12:15** House dust mite allergy: From research to products and biodesign program

A/Prof Anchalee Tungtrongchitr, Associate Professor, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand

**12:45** Q&A

---

**13:00** Lunch break and visit the exhibition

---

### SESSION 3

**14:30** Update on melioidosis: insights into patient characteristics and new diagnostics

Prof Dr Narisara Chantratita, Professor in Microbiology, Faculty of Tropical Medicine, Mahidol University, Bangkok, Thailand

**15:00** Immunogenicity of COVID-19 vaccine

A/Prof Jaruda Kobkitjaroen, Asst Professor, Department of Clinical Pathology, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand

---

Visit [medlabasia.com/immunology](https://medlabasia.com/immunology) to learn more

---

## Immunology

**15:30** Update on biomarkers of disease activity in SLE  
To be confirmed

**16:00** Q&A

**16:15** End of conference

---

**16:30** **Coffee break and visit the exhibition**

---

### Conference Chair:

**A/Prof Jaruda Kobkitjaroen**, Asst Professor, Department of Clinical Pathology, Faculty of Medicine, **Siriraj Hospital, Mahidol University, Bangkok, Thailand**

### Speaker Faculty:

- **A/Prof Anchalee Tungtrongchitr**, Associate Professor, **Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand**
- **Dr Jan Damoiseaux**, Assistant Professor, Diagnostic Centre, NUTRIM School of Nutrition and Translational Research in Metabolism; Faculty of Health, Medicine and Life Sciences, **Maastricht University Medical Center, Maastricht, The Netherlands**
- **A/Prof Dr Mongkol Kunakorn**, Associate Professor in Clinical Pathology, Department of Pathology, **Faculty of Medicine Ramathibodi Hospital, Mahidol University**
- **Prof Dr Narisara Chantratita**, Professor in Microbiology, Faculty of Tropical Medicine, **Mahidol University, Bangkok, Thailand**
- **A/Prof Dr Yuttana Srinoulprasert**, Associate Professor. Department of Immunology, Faculty of Medicine, **Siriraj Hospital, Mahidol University, Bangkok, Thailand**
